

## PETITION AGAINST SPLITTING THE PARISH

In the 'Illustrative Maps' produced for the current **Community Governance Review** Blunsdon St Andrew Parish is shown as split in half along the A419, removing the **Abbey Meads Ward**, which is - St Andrew's Ridge, Groundwell West, Ash Brake, Redhouse, Tadpole Garden Village and parts of Abbey Meads.

The Parish Council requests your support to resist these 'options' for the following reasons:-

- 1. B.S.A.P.C. is the most cost efficient Parish in the Borough at £18.43 a year per Band D property.
- 2. The Parish Council devotes most of its time and resources on issues and operations in the Abbey Meads Ward Community. (as per attached documentary evidence)
- 3. If the Parish is split there will be unnecessary costs in setting up and running a new Parish which you as a resident will have to pay. Also the Precept for the Blunsdon Ward would increase substantially.

## Therefore I do not want the Parish to split.

Please complete the details below to show your support.
