Dear Mr Taylor

I'm pleased to enclose a certificate confirming that Taylor Roofing Contractors Limited has recently passed an independent inspection conducted by the British Board of Agrément.

Your inspection demonstrates to homeowners and clients that you meet the high quality standards expected from a Master Builder. Thank you for continuing to champion quality within our industry.

We're keen to understand how we can improve the inspection process for our members so if you haven't already taken part in our very short two-question email survey, we'd be delighted to hear your views.

Yours sincerely,

A handwritten signature in blue ink that reads "Sage".
